JOB PURPOSE

Project Background:

The Lao People's Democratic Republic (Lao PDR) Skills Enhancement for Inclusive and Green Economic Development Project aims to help the Lao PDR government align its technical and vocational education and training (TVET) programs with labor market needs to improve the employability of graduates. Based on a skills gap survey conducted with the Ministry of Education and Sports (MOES) in 2023–2024, key demand areas include electric vehicles, industrial electricians, construction, and IT. The project will support upgrading facilities and equipment in high-demand areas in 11 TVET schools in the provinces of Champasak, Khammouane, Luang Prabang, Oudomxay, Savannakhet, Vientiane Capital, Vientiane Province, and Xiangkhouang. In addition, the project will support basic and advanced short-term TVET training courses in these areas as well as in new emerging fields. New short-term training courses will cover online marketing, agro-processing, packaging, financial and digital literacy, care services, and entrepreneurship for start-up businesses.

The project outputs are (i) quality and relevance of TVET for selected occupational areas enhanced, (ii) institutional capacity strengthened, (iii) access to quality TVET expanded, and (iv) TVET to strengthen women's labor market access leveraged
