Request for Expression of Interest (REOI)
National Procurement Clerk CS-13

1. Background

1. The Asian Development Bank (ADB) aims to support the Lao People's Democratic Republic (Lao PDR) to improve access to safe water supply and sanitation facilities across the country through the implementation of Loan 4511-LAO: Water Supply and Sanitation Improvement Sector Project (the Project). The Project will increase access to safely managed, reliable, affordable, and climate-resilient water supply and sanitation services.
2. The project will be managed by the Project Management Unit (PMU) under the Department of Water Supply (DWS) of the Ministry of Public Works and Transport (MPWT), who will be responsible for the day-to-day project management, supervision, and administration of the project. This will include reviewing project budget, overseeing financial management and accounting, procurement, supporting project preparation and conducting technical reviews, and ensuring social, gender and safeguard compliance. The PMU will be led by a project director who will be supported by deputy project directors.
3. The project will be financed by ADB through a \$48.3 million loan from ADB's ordinary capital resources. ADB will finance all investment costs, a portion of recurrent costs, contingencies, and financial charges during construction, inclusive of taxes and duties. Project implementation had commenced in February 2025 and to be closed on April 2032.
4. The DWS, MPWT now invites expressions of interest from nationals of Lao PDR for the provision of consulting services for the National Procurement Clerk of all Project-related activities. The total input is 60 person-months from Oct 2026 to Sept 2031.
